Checked with Jane and Felicia, and the plan is to send over today. I'll follow up, after the Harper meeting at 4:30, to make sure we're still on target.

Btw, are you attending the Harper meeting? I'm meeting Harper and bringing them up.

Hi Susan and Kristien –

We've run into some sticky clearance issues, with OAR, OW and OGC, on this paper. Sorry to say that we're going to need to finish this on Monday.

Sorry for the delay – I'll call on Monday to follow up.

Have a great weekend

Martin

Susan --

We should be able to build the one pager from the earlier papers, and get it done by this Friday. I'll discuss with Jane and let you know if we need more time.

Thank you

Martin

Hi Martin,

Thanks for sending the files last night. I touched base with Kristien this morning, and she recommended that OITA pull together a 1-pager on TAS. Providing a 1-pager on TAS now will give the Administrator the information he requested sooner rather than later, since we're not sure when a meeting with Administrator Pruitt may be scheduled. I'm happy to talk about the timing of the 1-pager, if you think it will be difficult to deliver it by COB on Friday. Please feel free to call me with any questions.

Thanks,

Susan

Kristien and Susan –

I understand that Jane and Kristien spoke this morning about the two topics: TAS and State Department cooperation (including China). In addition to the paper that Jane forwarded to Kristien earlier today, which was completed immediately following the OITA Overview Briefing for the Administrator, I've attached the meeting request for TAS which Kristien and I recently discussed.

Please take a look at these two documents, as our starting point. If after reviewing these documents, you want us to revise or put the papers into a different format just let us know.

Thanks!

Martin
